#### PLEASE READ BEFORE ORDERING

We appreciate all orders. We give all orders, large or small, the same careful consideration in plants and packing. Remittance may be made either by stamps, postal or express money orders; bank drafts, registered letter for cash, or personal check. Checks made on State Banks please add 10c extra to cover exchange. NO C.O.D. OR-DERS CONSIDERED.

On orders amounting to less than \$1.50, kindly add 25c to cover postage and packing charges. Orders from \$1.50 to \$5.00, we prepay all charges. Orders over \$5.00 go by Express Collect. If express shipment is received in bad condition; file claim with your Express Agent.

Due to the fact that we have no control over the plants after they leave our hands, we cannot, therefore, guarantee them to grow. But we do guarantee safe arrival in good condition. No claims for errors allowed unless made within ten days after receipt of goods. We express or imply no warranty as to productivensss of nursery stock we sell.

We accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count, or other causes beyond our control.

If any nursery stock, etc., proves untrue to description under which it is sold, we hold ourselves in readiness on proper proof, to replace all such nursery stock, etc., that may prove otherwise, or refund the amount paid, but we shall in no case be liable for any sum greater -than the amount originally received for said nursery stock.

Avoid disappointment by placing your order early. Please indicate a second choice in case we should be sold out on items wanted.

Substitutions.—We do not substitute unless at your request.

Visitors are always welcome. Our gardens are located at Fremont, Nebraska, on East Military Avenue, one-half mile east of city limits; the first house east of Garden City School on south side of the highway. Come often and enjoy our flowers. It is always a pleasure to show them. Cut flowers sold in season. All stock is State Inspected.

Two and one-half acres in Perennials.

Flowers depend a great deal on the composition of soils. A good gardener is not surprised if plants vary somewhat in shades of color from descriptions in a catalog.

#### IRIS

Our bearded Iris will be ready for shipment about June 20th until after the 1st of September. Early planting is advised so that the plants may become established before frosts. No shipment made during the spring. Come and see our Iris when they are in flower and let us book your order for later delivery. In our description: S—stands for the standards or

upper petals; F-for the falls or lower petals.

#### AUTUMN BLOOMING IRIS or NEW EVERBLOOMING IRIS

| AUTUMN GLEAM (Sass)                                    |
|--|
| Huge deep chrome yellow.                               |
| Each   |
|  |
| AUTUMN HAZE (Sass)                                     |
| The largest and most outstanding of all the Au-        |
| tumn varieties; a beautiful lavender-blue self.        |
| Unusual.   |
| Each 40c; 3 for\$1.10                                  |
|  |
| AUTUMN KING (Sass)                                     |
| A beautiful shade of lavender-blue.                    |
| Each 40c; 3 for\$1.10                                  |
|  |
| AUTUMN QUEEN (Sass)                                    |
| An everblooming white Iris of the Intermediate         |
| class, that has a record of blooming every month       |
| from May to October. Flowers of good size and          |
| quality.<br>Each 40c; 3 for\$1.10                      |

Deep yellow to a light yellow. Each 30c; 3 for 80c; 6 for .....\$1.50

#### **POGO-CYCLUS IRIS**

Pogo-Cyclus are a hybrid race known for their unusual markings and coloration. They prefer a hot, well drained location and liberal quantities of lime or limestone chips in the soil. They are odd and exoticly beautiful, entirely unlike other iris. Varieties of this species do not as a rule develop roots as large as the regular tall bearded types.

#### BALROUDOUR (Sass)

S. pallid soft bluish violet. F. deep olive buff with olive yellow blotch at end of the beard. Two-flowered stems; 12 to18 inches tall. Vigorous grower. Each 30c; 3 for \_\_\_\_\_\_80c

#### GRAY CLOUD (Sass)

This is a subtle blend of blue, gray, red, green and brown. Two blooms on foot high stems. Each 30c; 3 for \_\_\_\_\_80c

#### SPOTLESS (Sass)

A pure white seedling. Hardy and floriferous. Each \$1.00

#### STORMY DAWN (Sass)

S. pallid soft blue violet; darker at base. F. pale nerapaline blue with brown stripes on the haft; forming a blotch at the end of the beard. Two large flowers on 10-inch stems. Each 30c; 3 for \_\_\_\_\_80c

#### WHITE VARIETIES OF BEARDED IRIS

| AUTUMN QUEEN (Sass)   |
|---|
| An everblooming white iris of the Intermediate class. Flowers of good size and quality. |
| Each 40c; 3 for\$1.10   |
| COSETTE (Sass)  |
| Early flowering white Intermediate. 36 inch branching stem.                             |
| Each  |
| CRYSTAL BEAUTY (Sass)   |
| A tall, large white of good habits. A must have.<br>Each 40c; 3 for\$1.10               |
| ORIANA (Sass)   |
| Pure white of good size.<br>Each 35c; 3 for   |
|   |

# IRIS (Continued)
